Good afternoon --

I'm reaching out to offer an **exclusive invitation** to Governor Haley to attend the Red Carpet Premiere of Dinesh D'Souza's new movie, *Hillary's America: The Secret History of the Democratic Party*.

I hope the Governor can join us at 3 p.m. on Sunday July 17, 2016, at the Connor Palace Theater in downtown Cleveland for this wonderful event. We can't think of a better way to kick off the Convention than by exposing the sordid truth of the Democratic Party. *Hillary's America* will teach Americans:

- About the deep legacy of racism within the Democratic Party and how this racism manifests itself today.
- The truth about Hillary Clinton's strategic political alliance with Bill Clinton.
- How Hillary Clinton egregiously abused her power as Secretary of State to enrich herself and her friends.
- How the Democratic Party plans, quite simply, to steal America.

Our goal is to ensure every American sees this movie before they vote in November. But first, we want Governor Haley and other VIPs to enjoy an advanced screening!

If you would like to reserve your seat you may sign up by [clicking here](#).

Seats are limited so be sure to sign up now!
