Richele, I hope you had a wonderful holiday weekend. As a follow up to our brief introduction last week, I am writing to ask if you have time available this week for Todd Timmons (Deputy General Counsel) and me to provide you with an overview of litigation matters involving SC DEW. We have a hearing scheduled on September 20 in one case that has been of interest to the Governor's office, so we wanted to give you some background on it beforehand. We would be happy to come to your office or set up a call, whichever is more convenient. Please let us know what might work with your schedule.

Thank you,
