Governor Haley,

My name is Brent Lander and I am from Sandusky, Ohio, and I am also a 19 year old aspiring politician.

Ever since watching you give the response to the State of the Union address, I have been an admirer of you and your work for the people of South Carolina. Seeing that much caring and passion gives one hope for the future.

Congratulations on your position in the Trump administration! I am nervous about the upcoming presidency, but my face lit up when I saw that you were going to be a part of it.

Before you embark on your new journey, would you mind autographing

my picture? It would be such an honor
for me to have this, and I would really
appreciate it.

Good luck to you! I know you'll do great.

God Bless You,
Brent Gardner

P.S. I hope that you and your family
have a Merry Christmas and a prosperous 2017!
