Please send me an address. I don't have a check but I could send it from the online bank. I can go ahead and pay the whole thing.

Hey,

Our HR office called concerning your benefits. Apparently, you were not charged for your benefits 2/1 - 5/6 (It appears that Jessica did not key it in during the transition).

Charges to come out on the 16th:

- Dental \$ 74.69 (To be paid in full)
- Full Benefits \$210.00 (To be paid in full)
- High Deductible for Family \$452.00 (Can be broken down into payments)

In addition, regular deductions will still come out as scheduled. Please let me know what you would like to do.

Thank you

Lily
