Dear Senator Kevin Bryant, No one should lose their job because they don't want to join a union. Passing a Right to Work bill will create jobs, protect Constitutional freedoms and ensure all workers have the right to choose what's best for them. I'm writing to you today urging you to protect American jobs and to let you know that right-To-Work is right for us! Sincerely, Mary Wilson 314 Kings Rd Anderson, SC 29621
