We did, Holly. However, you will see that total go down again as I called the donor and he preferred to write a check so that \$300 of his donation would not go to credit card fees.

Have a great Thanksgiving!

Holly,

Technology is truly magical. We now have a link that will give you the real time update of credit card donations to the fund. You can click on it anytime you wish! I will still let you know if specific committee members donate or when checks arrive in the mail, but this allows you to see the online donations to date. Note that some of these donations may come as a result of our newsletters and correspondence. If you need specifics how many reference the press release or the Governor I can let you know.
