Hi Autumn! Our gardens are open to the public Monday-Friday between 9 am-5 pm and you are welcome to take photos complimentary during public hours! However, we are closed if we have a private event or it's a state or federal holiday. If you have a specific date in mind for photos, let us know and we can check to make sure the gardens will be opened that day!

To access the gardens only, there is no charge. But there is also no restroom or place to change. We do offer the option of booking a 3-hour portrait session for \$300. The session would give you access to the interior of the house so you could get ready onsite, take photos inside and on the balconies as well as throughout the gardens. The paid session can be booked any day (including weekends) and up until 8 pm.

The gardens will be opened to the public on the 30th until 5 pm!  
Let me know if you have any questions about a booked portrait session!
