September is National Preparedness Month and the Federal Emergency Management Agency (FEMA) encourages everyone to make disaster preparedness a priority. This month's theme is "Be Aware. Take Action to Prepare."

As United Ways, help spread the word to your partner agencies and encourage them to "Be Aware. Take Action to Prepare." This past year in South Carolina has proven that you never know when a hurricane, tornado, flood, or ice storm will hit. Visit www.fema.gov for tips and resources.

The United Way Association of South Carolina is partnering with the P.L.A.C.E. Fellowship at Columbia College to host this special one time screening of the Emmy-nominated HBO documentary American Winter. The event will begin with a light reception (5:30 p.m.-6:00 p.m.), continue with the screening (6:00 p.m.-7:30 p.m.) and end with a Q&A session with American Winter co-director and producer Harry Gantz (7:30 p.m.-8:30 p.m.).

The screening is free and open to the public. [Click here](#) to get your tickets now!
