News has been slow, especially stuff I would consider social media worthy. Here's what I've seen the last two days:

North Korea successfully tested an intercontinental ballistic missile that is capable of reaching the US
<http://www.thestate.com/news/politics-government/politics-columns-blogs/the-buzz/article159648399.html>

A senate delegation, led by Sen. McCain visited Kabul yesterday. Sen. Graham said that 8,600 American troops currently deployed in Afghanistan would not be enough to get the job done.
<http://www.thestate.com/news/politics-government/article159559979.html>

BMW sales for June up .4% from last year but still down nearly 3% from 153,436 to 149,086 in the first 6 months of each year
<http://www.greenvilleonline.com/story/news/2017/07/05/bmw-sales-increase-slightly-june/450867001/>

GE to invest \$29 million in a wind power testing facility in Clinton
<http://www.greenvilleonline.com/story/news/2017/07/05/bmw-sales-increase-slightly-june/450867001/>

LG's Planned Parenthood column
