I spoke with Scott and if it is okay with you we are going to amend the current lease to add the 900 square feet to start rent at the \$13.50 when construction has been completed. And I will write the new lease for all the space with the new rate of \$14.95 to start 7/1/2015.

What is the date you would like to add the 900 square feet of space? The landlord has offered to add an additional 10 parking spaces to lease.
