FYI. See attached letter from John Barefoot regarding the State Engineer's office. I have cancelled his meeting in January.

Nicole,

Please free up the time Governor Haley had made to meet with me and share the attached letter instead. Some decisions that were made in the State Engineer's office subsequent to our setting the meeting make the meeting unnecessary.

Wish the Governor and family Happy Holidays for me.

John

I am glad that date and time works. I look forward to you getting me more information.

Our Deputy Chief of Staff, Austin Smith, will be in the meeting. I have the meeting scheduled for about 20 minutes on that date.

Let me know if you need anything else from me.

Nicole,  
THANK YOU! That time works. I'll get you more information on what we would like to discuss and who will attend with me. A couple of questions:

1. How much time can the Governor afford us?
2. Who did you say would be at the meeting from SBCB?

Thanks again and Happy Holidays,  
John
