**Barbara Allbritton-Grant** I think that they selected the lesser visited parks to feature so that folks could see how neat they are also.

at 19:15:48 on 11/26/2013 UTC

**South Carolina State Parks** You would need to check directly with the park you plan on reserving at.

at 19:22:13 on 11/26/2013 UTC

**Judy Sharpe** Can you use this and a senior discount?

at 19:26:11 on 11/26/2013 UTC

**Lynne Dukes Reynolds** I can answer that - yes the price changes cause the code that they would put in to transfer your date would be invalid since it is for a one day special - that happened to me 2 times last year when I had to change my date
