Both Fridays are currently open. We'll be in session at that point, so it's probably not safe for me to offer up a session day. Thanks.

CS – please let me know a time when you can brief Ashely on the Governor's education reform proposals a couple of weeks after the roll-out (Jan 20th week or Jan 27th week).

Thanks.

Rachel,  
Would I be able to go ahead and set up a time to go through the Governor's education proposal with you (or whoever you think is appropriate) for after she releases it in January? Education is always a high priority for us, so I'd love to understand the proposal.

Thanks,  
Ashley
