**Elly Jones** Marcel Silveira lots of guys dye and sell up that way, but you have to be pretty quick. I juat got a load in yesterday that was that way. I reserve the longer hairs for bigger/longer "herring" patterns

**Laura Ledford** Elly Jones EJ, the only fly that I have is one that Rose Clawson made last year. Thanks for sharing your skills with us.

**Dalton Shull** John Cartrette, how else would they stay open? They get almost no tax money at all. They are essentially self-funded and depend on the entrance fees and retail to pay for the salaries, vehicles, equipment such as mowers and tractors, repairs, etc. if you don't believe me, look at the State Budget. It's public information.

at 13:40:42 on 4/24/2020 UTC

**John Cartrette** Dalton Shull Well, they should have stayed open. Govt overreach is my point here. We're all adults. If someone is scared of this little "virus", they can stay home. For those of us that aren't buying the narrative, we shouldn't have our rights interrupted.

**Randall Shirey** Is Dreher open for walking???

at 18:01:39 on 4/26/2020 UTC

**Tags:** deleted

**Randall Shirey** Les Brummett I kinda agree with all. I don't mind paying the fee because our parks are clean and family friendly. I'll pay for that. But closing the parks to foot traffic was absurd. Where else could we have mega social distancing?

at 18:03:48 on 4/26/2020 UTC

**Franklin Williams** Sweet EJ!! Great Job man
