**Re:** Ethics

**Staff:** KV and Swati

- Purpose of Meetings: Thank Senators for supporting true independent investigations and ask them to continue to support Larry Martin's proposal and vote against Rankin's proposal. We also need to ask for support for special order for the ethics bill - H. 3722.
  - Senator Corbin: Voted against the Rankin amendment in Full Committee last week and agreed to switch his vote in the last meeting he had with the Governor.
