Dear Mrs. Johnson,

I want to thank you for reaching out to express your appreciation for the Department of Natural Resources Officers at Richard B. Russell Lake. I am heartened to hear how much their assistance has meant to your family as you continue the search for your brother, Mitchell Gibson. We are blessed to have wonderful people of service in our great state, and I thank you again for taking the time to acknowledge their commitment to the people of South Carolina. Please know that Michael and I are keeping you and your family in our prayers. God bless.

My very best,
