Dear Glenn,

I am very honored and humbled to receive the AAMVA Martha Irwin Distinguished Service Award to Highway Safety for 2008. Although I regretfully could not attend the Annual International Conference in the great state of Florida this year to accept it, I was presented the award in front of the entire management team of the Colorado State Patrol on Wednesday, September 10, 2008. The award is very beautiful.

The AAMVA Martha Irwin Award is very prestigious and one that I personally will cherish. Its significance is especially relevant to me, as I have enjoyed a long and beneficial association with the highway safety professionals that make up AAMVA. These professionals epitomize highway safety service and I am thankful to be associated with them.

Thank you for your support and your endorsement of my nomination Glenn. Again, I am honored by this recognition. Please express my sincere appreciation to the Board of Directors also, if you would be so kind. Godspeed to AAMVA.

Sincerely,

Colonel Mark V. Trostel
