Present a Unique Perspective at Conference

Mediware is accepting abstracts for the 2017 Mediware Customer Conference, August 7-9, in New Orleans. If you would like to present your innovative ideas and share the way you use your Mediware platform to support your unique business goals, let us know! We also invite those interested in presenting on an overall industry topic (HME, DME, specialty pharmacy or home infusion) that would be great for sharing with our clients. Each presentation will be limited to 45 minutes, including time for a short Q&A.

1. [Download](#) the abstract form.
2. Fill out the application by February 15.
3. Submit to michelle.caldwell@mediware.com

Participants will be notified by March 1. We hope you consider this opportunity to present in front of your peers in The Big Easy!
