Hey Katherine! I just wanted to touch base with you about the proclamation for Family Caregiver Month.
Is that going to be a possibility?

Subject: Proclamation

Good morning Katherine! I spoke with you a couple of months ago and you got the Lifeline proclamation for me while I was at the Office of Regulatory Staff. Thank you for your help with that!

I am not at the Lt. Gov. Office on Aging. I am managing the Family Caregiver Support Program. November is National Family Caregiver Month and I was wondering if you could help me with a proclamation again. How does that work if it is for the whole month? Let me know what you need from me and if it is possible. Sorry for the late notice. I am just getting into my new position and apparently nothing has ever been done.
