Subject: Postponed DMV Training Classes

Due to the recent gas crisis, the Office of Training and Change Management is postponing all training classes that require travel from out of town. This includes New Employee Training and FR-4 classes. Right now, it does not include the EPMS class scheduled for September 21 nor the Fraud II Class scheduled for September 27-29. All cancelled classes will be rescheduled as soon as possible.

If you have any questions or concerns about the training schedule, please contact TCM.
