Yes, I talked to Ben this morning. I'll look to hear back from you on this by Friday.

The NFIB thing may not happen, as they seem to have trouble getting commitments for attendance. If it is canceled, and I'll know that by Friday mid-day, then we'll try to shift our other events to Tuesday the 27th. I can do it with the 10:30 and Noon events, but keep it in mind for other things like the G News, if they ever reply.
