# *Christmas is a time for sharing our blessings.*

In the spirit of the season, our firm made a donation in your name to 'TRIP', also known as Teen Resource Information Program, started by members of our firm and now YMCA sponsored. 'TRIP' provides a free program to teens in our community who are challenged with drug or alcohol problems or other addictive behavior.

Your donation helps meet the special needs of these teens during this joyous holiday season. The teens of 'TRIP' join us in wishing you a Merry Christmas and Happy New Year.
