Comments:

I have several suggestions one is reinstatement fees needs to be more \$100.00 they need to be at least \$300.00 and also IDs, and BPs needs to more than what they cost. Another suggestion is Saturdays are not productive we are wasting money by being open on Saturdays for the first hour and half we're busy after that we're dead as a door knob. In our office we are extremely busy every day of the week and one of the busiest office in the county and I feel that we should as a office be compensated for the hard work.
