Thank you Brandon. Will DPS send a final bill with the OT?

Richele,

DNR did not have any cost during this time. SLED needed to be reimbursed \$9.63. DPS needed to be reimbursed \$19.11 plus 2 hours and 15 min of overtime. The cost of overtime is something that DPS's payroll department will have to determine.

Let me know if there is anything else you need.

Thanks,

Brandon

I'll take a look at it. I don't think SLED had OT for that period.

Brandon,

I wanted to touch base on the attached quarterly bill for agents. We received one invoice for the third quarter, from SLED. The bill paperwork specifically shows that OT was not included. We need the OT added in to the SLED bill.

Also, we did not receive an invoice from DPS, and again it needs to have OT included.

DNR shows no expenses in the paperwork, but we need to make sure there was no OT.

I want to get these cleared up. Can you please help?

Thank you,

Richele
