in response to SC Legislative Action  
June 28, 2018

"SCE&G customers have spoken loud and clear: They like the Dominion Energy proposal that includes more than \$12 billion in customer benefits and another \$19 billion in economic activity. Customers want stability, a permanent rate cut of 7%, and \$1.3 billion in cash payments to SCE&'s electric customers – equal to \$1,000 for the typical residential customer. Unfortunately, legislators in Columbia didn't hear them. As a result, it looks like a permanent solution—with refunds and rate cuts—will be delayed until later this year as the legal system sorts out these matters. We certainly hope this will occur as soon as possible for the sake of SCE&G customers."
