Subject: ABF s/c meeting Weds

Nikki -

As you are aware, I won't be able to attend your s/c meeting on the ABF bill. However, Christian Souzer from the governor's office will be there to speak on the bill. The legislation is very close to the bill passed by the Senate last year, so I don't anticipate any conflict or opposition. If there is not I would appreciate the s/c members giving the bill a favorable report so that it can move on to the full committee.

Thanks,

Greg Gregory
