Kevin L.,

We're thankful for you. Your support and engagement is what makes our work possible. We may do the research, but the impact is created by tireless citizens determined to protect their liberties and hold their elected representatives accountable. Thank you. From the bottom of our hearts, thank you.

Next week, we'll be back with regular updates as the General Assembly gears up for session. But this week, let's set politics aside, focus on family and friends, and give thanks for the blessings of liberty.

Have a wonderful Thanksgiving!

- Rick, Ashley and The Nerve staff
