The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Due to the extreme flooding and other weather related conditions the last few days, a number of our banks throughout the state, particularly from Columbia to the coast, are unable to open some of their branches. Some of the smaller banks may have not been unable to open at all. I also understand that you declared a state of emergency for the South Carolina on October 1, 2015.

As such I respectfully request, pursuant to S.C. Code § 53-5-55, that you issue an order declaring all days during the existence of the state of emergency to be declared legal holidays.

Thank you for your assistance in this matter and please let me know if you have any questions.

Sincerely
