my kids are trying to get jr ranger level 3 but we can't seem to find any parks we have gone to with a program going on. Could you tell me if any parks have programs going on so they can get their level 3.

We currently don't have any in-person programming going on. What were you looking for exactly? At which park?

For the jr ranger 3 it says they have to attend a program and have the ranger sign and answer a few questions about the program.

We live in Lexington sc but have not been able to complete the level 3 for them to receive their ranger hat

Yes, I do apologize as we have no in-person programming. Is there a certain park you prefer going to?

I decided to ask that question when I saw junior ranger being talked about the other month because my kids keep asking at the ones we have gone to because they want to finish it and get their ranger hat
