Upon a little closer reading, it appears that the question is why all children are eligible if the school is designated. She said in a later mail that she received a letter that Calhoun has been designated. So, is it the whole population of a school?

I didn't need to ask about eligible, it's on their website. All on Anderson CSD 5 is eligible; however of the 20 schools in the district only 9 are participating. I can ask is Calhoun Elementary is one of them.

How does the CEP apply to all children at Calhoun? This is a question Meghan has at the pharmacy.
