Happy Thanksgiving! There is much to be thankful for over this past year, and I hope that you are able to spend a great meal with family and friends.

The tradition of Thanksgiving for me is especially meaningful, as we have the opportunity both to celebrate as well as to work on behalf of those who are less fortunate.

We have the potential to bring hope and opportunity to those individuals and communities who need it most through my Opportunity Agenda. Issues like school choice, apprenticeships, and job skills training can completely transform lives and I am committed to working to ensure that all Americans have an opportunity to succeed.

I wish you and your family the very best this Thanksgiving, and I am grateful for all of the support I have received this past year—your thoughts and suggestions are very valuable to me in doing the very best job representing my constituents.

It is an honor to serve as your voice in the United States Senate, and I hope you and yours have a safe and happy Thanksgiving.

Sincerely,

Tim Scott
