Make It Monday! Join Ranger Ann today at 3 p.m. as she helps you along the way to making a silly swaying shark! Not only will you make a shark, but you will learn about them too! Before the video starts, make sure to download and print the shark craft pattern, here: <https://scprt.widen.net/s/dwiyceouio> It helps to print them on card stock and you can use any color you like! The top body should be printed on a darker color and the lower body on a lighter color paper! You will also need glue, scissors, a marker and pencil. Have a fintastic time!
