“Calling Christian Patriots to Action!”

My father told me before he died that he feared that our nation would some day become a dictatorship because of our U.S. Supreme Court. His words turned out to be prophetic. I'm glad for his sake he didn't live to see our day. He would be ashamed as I am ashamed.

In 1973 our U.S. Supreme Court forced our states to allow abortions murders within the borders of our state) violating our fifth, fourteenth and tenth amendments to our Constitution.

Recently our Supreme Court ruled that our states have to allow same sex marriage within the borders of our states. Our founding fathers would be ashamed of us if they knew what we are doing today in our land. It is time for Christian Patriots to resist evil, our forefathers did.

On Thursday, January 22 at 11:a.m. we are having a “Praise Jesus for Life” victory rally at our state house, first floor right outside our Governors' office. This is your opportunity to come to our State House and resist evil. Pastor Stephen Williamson of Gethsemane Baptist Church in Lexington will be preaching for us as well as other preachers.

I'm ashamed of the wicked vile things we are doing today in our nation. As a child I would have never thought we would be doing such wickedness as we have in our day, Psalm 9:17, “The wicked shall be turned into hell, and all the nations that forget God. Proverbs 14:34, Righteousness exalteth a nation: but sin is a reproach to any people.

The fifth and fourteenth amendment to our U.S. Constitution, states that no ones life can be taken without due process of law. The tenth amendment “States Rights” makes it legal for South Carolina to outlaw abortion and same sex marriage with out interference from our Federal Government or Federal Courts. South Carolina is a sovereign state. Our fore fathers shed their precious blood for our independence. Let's not let them down.

Please come to our State House, first floor on Thursday, January 22 at 11:00a.m. I believe Jesus would want you to come. Let us contend for the faith. We desperately need Christian Patriots at this rally. Pray for our rally. Please come.

Your servant - Johnny Gardner
