Subject: Fwd: Chamber ball Accountant takes top honors

FYI please read below . Lisa is it not time to support transparency and audits versus just Bill miles ! It is also my understanding you openly supported Drew for reelection after fully knowing he did not support full transparency and independent audit of the Hhi Bluffton chamber is this true ? You can see by the recent election most people support transparency . Bluffton, like Hilton head and Beaufort must stop funding this Chamber , Bill miles 400k pay package and all the rest as well ,until Bill miles agrees to a full independent Forensic audit .

Agreed ?

Politicians that do not do this will simply be replaced come election time with those who do , when a report goes out listing the position of each candidate . We all saw what happen to Drew Laughlin for refusing to order an independent audit of the Hilton head island chamber . If we can not count on and trust our politicians to do the right thing we are in trouble . The new Bluffton Chamber is being operated correctly and assume agrees to abide by all laws including SC Foia and IRS tax laws ? They deserve to be funded and be the Official DMO not co dmo ??? The Hilton head Bluffton chamber does not .

Lisa do you support transparency ? Will you demand an audit of HHI Bluffton chamber before anymore money is giving ? Will you put this to a vote of Bluffton town council soon ?

Subject: Chamber ball Accountant takes top honors

Another attempt by Bill miles, David Tigges and Tom Upshaw to avoid audit of Chamber . Ray Warco , Ray Deal controller , all other accountants along with Bill Miles and others involved including Susan Thomas could face prosecution once audit is complete . Susan Thomas head of CVb is leaving and will need to be questioned along with all others as part of the CVB side of this chamber all comingled . Everyone wake up and read between the lines . Don't fall for all this ! Perhaps you all believed the Chamber of the year award as well???

Bottom line !!! has Bill miles agreed to show all ! My guess is he will not until made to do so ? He is fighting for his life now . Many will run for cover and some eventually will be tossed under the bus .

Perhaps some of you feel I am wrong , or maybe crazy ok let's prove it to all of us . How do we end this ,easy a full investigative forencic audit with full
