Message:

You go on TV and shed tears for the African-American people who were killed in yet another domestic terrorist attack on our black citizens with the Confederate flag flying at your state capitol.

YOU ARE PART OF THE PROBLEM.

As a 71 year old white woman, I don't want your tears. I want you to be as angry as I am. This violence against our African-American citizens has to stop.

As Governor, you could take a very important first step: REMOVE THE CONFEDERATE FLAG from your Capitol. It's offensive to me, our African-American citizens and our Country.

Do something REAL...your tears are offensive.

Nadine Vaughan
