DRAFT Statewide Transition Plan full - posted.pdf

Mr. Kester,

Hello! I wanted to share with you the draft South Carolina Statewide Transition Plan for the Home and Community-Based Services (HCBS) Rule (regarding waiver programs) along with the public notice information. You are welcome to share this information with colleagues, beneficiaries and their families, and other interested parties.

Our first public meeting on the Statewide Transition Plan is **Thursday, November 13, 2014** in **Florence, SC**. All meetings will be held from 6 p.m. – 7:30 p.m. There are three other public meetings being held in addition to a- live online webinar. Please note that these public meetings will also discuss amendments to the Community Choices waiver and the Mechanical Ventilator Dependent waiver along with their waiver-specific transition plans. All of the details are in the attached public notice.

For those who may need a language accommodation (sign language or language other than English), we encourage people to pre-register for the meeting they wish to attend so that SCDHHS may try to accommodate their request.

There is no charge for attending and pre-registration is not required, but if a language accommodation is needed, we may not be able to provide it without the pre-registration notice. Individuals can go to the “Events” page on our HCBS website (<https://msp.scdhhs.gov/hcbs/Events>) to click on the meeting and get the pre-registration link.

Please feel free to also go to our website: www.scdhhs.gov/hcbs for information on the HCBS Rule, the public notice, and the Statewide Transition Plan.

For information on the Community Choices waiver amendment and the Mechanical Ventilator Dependent waiver, please go to www.scdhhs.gov.

Thank you for your time,
Kelly
