**Immigration Reform Solutions**

**President Barack Obama, Vice-president Joe Biden, Secretary of State's John Kerry, Speaker of the House John Boehner, Democratic National Committee, Republican Party And all 50 Governor.**

## **To whom it may Concern:**

Since both political parties will not reach an agreement (Democrat and Republican) this idea occurred to me and wanted to share with you. (Illegal Immigrants are from all 5 continents). This idea is good for our Country and for all illegal immigrants. This immigration reform got me tired (every news it's about that). Lest assume they're 17MM (supposition) illegal immigrants.

**I-485 Permanent resident or adjusted Status \$985.00** (yes is not fair for those who goes to all us citizenships process, plus after 5 year they will learn, studied and get to know more about are history doing Naturalizations)\$

**Why Donations.... Must of Immigrant just WANTED something, they need to learn to donated.**

Each Illegal Immigrant will be paying **\$3515.00**

**X 17MM = \$59,755,000,000.00**

Even thou we must secure are border's (Canada and Mexico) and Coast, I personally prefer ARMY, NAVY, AIRFORCE, COAST GARD.

We need to let these people know this is UNITED STATES a country of laws and if they don't like it go back where you came from

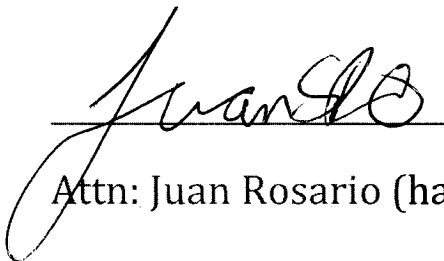

They are a lot of law the need to be modify, creative, or destroy (I know it's a free Country. Sometime too much freedom is not good also)

I have voted for republican and also for Democrat. It's all depends of whom and what or how it will benefits me. My son it's 11 year old (he's republican) and it's seems to pay attentions to all political view.....yes I'm a single Dad.

PS:

Dreamers (are you sure they going to school)

If other countries don't like these solutions I will tell then come get your people.....
