Amanda -

In addition to what Edwin emailed yesterday (below), I want to let you know that I called the Buncombe County (NC) Clerk of Court's office yesterday and talked to an employee about estates. If there is no will, the property of the deceased goes to the next of kin. Therefore, in this case, all of Walter Harvey's property would go to his wife, Nancy Harvey. By providing the marriage certificate for Walter and Nancy Harvey and the death certificate for Walter Harvey in addition to the documents you already have (bill of sales from Nancy Harvey to Ted Vess and Ted Vess to Edwin McCain), the line of ownership should now be clear to Edwin and he can get this boat titled etc. Correct?

Thanks for all you are doing to help clear this up!!

Robin

Greetings

I spoke with Teds wife and she reached out to Lisa who is Nancy's daughter. They never went through probate because he really didn't own anything. They are sending copies of the death certificate and their marriage certificate. Will that suffice? I can hand deliver documents and show you and your supervisor the Yukon Delta episode so you guys can see what we are up to. The series will begin airing in April and should be a great boost for the state of SC! Thanks again for spending so much time on this.

Best,

Edwin

Hey Amanda -

I'm taking over a few things for Edwin and this is one of them. It would be great if you can give me a call so I can get a clear picture of the roadblocks and what needs to be done to move forward to close this case successfully.

I'm looking forward to hearing from you and working together to get this resolved.

Amanda,

Thanks for your help on this. I read the attached paperwork but I am still unclear about the registration for the motor. Since I bought it new it shouldn't be contingent on Mr. Vess re titling the boat in NC and then signing title over to me. I am copying my sister Robin on this email so she can pick up the torch and hopefully carry us to a successful conclusion.

Thanks again,

Edwin

I just wanted to email you and let you know what the supervisor has said about your paperwork. Attached is the paper that I was given to call you and tell you. I am sorry that I could not be more help in this situation, just let me know what you want to do.
