Subject: All the comms training you need - in one day

You can listen to webinar after webinar, attend workshop after workshop, and still not get all the training you need.

Gather practices to improve every part of your work at ONE conference.

Instead of getting just parts of info to help your career, get an all-encompassing tutorial at our [Corporate Communications Master Class](#) . On Dec. 8-9 in Chicago, five of Ragan's top-rated speakers will show how to elevate your corporate communications with storytelling, content strategy, infographics and video.

- Create a content strategy that intensifies your communications and interest in your organization.
- Streamline processes to produce better content without spending time you don't have.
- Integrate infographics into your social media to present a clearer, more enticing message.
- Win journalists' trust with pitches that are helpful, entertaining and easy to share.
- Show your results to execs and earn a reputation as a major player in your organization.
