**Ruth Dawson** I remember that cabin being the one where a Park Ranger- Lonnie- and family

lived back in the old days. There used to be a mini-golf course not far from it. That was 1974

**Ann Dicks** Makes me love Harbor Lights Resort on the Intercoastal Waterway even more. 2/2 bath for less than \$100. Plus only a few miles from MB and HB State Parks and free passes to the state parks. Thank you South Carolina State Parks and Harbor Lights!!!❤️👍
