Dear Governor Haley I have great respect for you and all the things you have done for the State of South Carolina. Your brought this State to its feet when things were so grim. I would like to ask you for help on finding the father of my grandchildren he moves from job to job so he can get away with not paying job support. I think the office of child support should be able to find these guys no matter where they work. Or how many times they change jobs. I'm a grandmother trying to take care of my grandchildren when the father is walking around with new clothes and shoes rim on his car. Please help me if you can all grandparents would appreciate it .My daughter has had three back surgerys and she can't work and she has not been approved for disability her bones are breaking down in her back. Thank you and God bless you. Deborah Smith
