Good afternoon Katherine.....I am not sure if we have met at NGA/RGA events....I work with former PA Governor Tom Ridge in DC....I write to see if the Governor and/or senior-policy staff might have a few minutes to meet with Aramark during the upcoming DC NGA weekend...Aramark employs several thousand folks in South Carolina...their Corrections (private food in prisons and recidivism) team is in town for the conference..\*Governor Daniels nominated them for an NGA award this year for \$75 million in savings in Indiana.....we know it is a busy weekend but were hoping for a 15 minutes sit-down to provide an overview of their initiatives around the county.....thanks so much for your consideration and please let us know what might be possible.....
