

FRANK E. BARRON III

Dear Nikki,

June 9, 2016

As co-founder of South Carolina Citizens for Life and after a life time of fighting for the rights of pre-born children, I want to thank you for supporting and signing the Pain Capable Unborn Child Protection Act!

With warmest regards,  
Frank

**M**Y LORD GOD, I have no idea where I am going. I do not see the road ahead of me. I cannot know for certain where it will end. Nor do I really know myself, and the fact that I think I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing. I hope that I will never do anything apart from that desire. And I know that if I do this you will lead me by the right road, though I may know nothing about it. Therefore I will trust you always though I may seem to be lost and in the shadow of death. I will not fear, for you are ever with me, and you will never leave me to face my perils alone.✠
