The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

I am writing you today concerning a personal request. I am a South Carolina businessman who desires to work towards positive conservative change in our great Nation. As such, I am presently attending law school specializing in Constitutional Law, Public Administration Law, and International Law, with aspirations of running for the 6th District Congressional seat of South Carolina upon my graduation in the summer of 2016. My political efforts will be to effect the replacement of Democratic Congressional member Jim Clyburn. With the large percentage of the registered voters in South Carolina being of the Christian faith, and with Mr. Clyburn's liberal and pro-abortion platform, I feel that the time is ripe for his defeat, if he does not first retire. It is obviously essential to begin this political process as soon as possible. As such, any assistance or information you can offer me towards my completion of this goal will be greatly appreciated. Thank you for all that you have done and continue to do for our great conservative State, and I look forward to hearing back from you.

On a side note, I recently returned from a trip to Israel where we visited the Knesset, and met with members of Prime Minister Netanyahu's political party. I am extremely proud to be a South Carolinian with the State's support of Israel and its public stance against terrorism.

I sincerely hope that you are having an enjoyable holiday season, and have been able to spend time with your family and friends. My family and I wish you and yours Blessings and joy, not only at this special time of year, but also throughout the years to come.

Best Regards,

Randy Bohon
