South Carolina State Parks

#8 on Director Phil's list of things to see & do in South Carolina's state parks - The Caesars Head overlook. People would hike miles to get a view like this one! Amazingly, it's only a few feet from the parking lot. The view of the back of Table Rock Mountain and the dismal is magical. Listen and you will hear the distant sounds of Raven Cliff Falls. <https://southcarolinaparks.com/caesars-head>

Peter Bendal Kear And don't forget to go down into the crack behind the overlook. Temps drop like 20 degrees at the bottom.
