Dear Ms. Zelders:

The South Carolina Department of Health and Human Services (SCDHHS) thanks you for your correspondence of August 28, 2007. SCDHHS recently implemented service improvements via a regional transportation brokerage, responsible for the administration and provision of scheduled non-emergency transportation services. SCDHHS has contracted with regional Brokers to improve accountability and to prevent inappropriate uses of transportation services delivered through the network of providers established and operated by the Brokers.

Full contact information for each Broker for non-emergency Medicaid transportation services is as follows:
