Dear Governor Haley,

Based in Charlotte, N.C., The Duke Endowment is one of the largest private foundations in the Southeast. It shares a name with Duke University and Duke Energy, but all are separate organizations. Each year, the Endowment distributes more than \$100 million in grants to make a difference in children's services, health care, higher education and rural churches in North Carolina and South Carolina.

Because of your interest in Endowment-supported causes, I've attached a list of organizations in South Carolina that received new grants in 2014.

You'll find all of our recent grants posted on our website, [www.dukeendowment.org](http://www.dukeendowment.org). For more information, please contact me at [gcochrane@tde.org](mailto:gcochrane@tde.org).

Thank you for all that you do for the citizens of South Carolina.

Sincerely,

Gene Cochrane
