Chairman Waldrep called the meeting to order and then gave the invocation. Everyone stood and pledged allegiance to the flag.

Mr. Banister moved to approve the June 16 and June 18, 1992 minutes as mailed. Mr. Allgood said that as he read the June 18th minutes he was confused with the way the minutes were worded concerning his amendments and Mr. Hunter's re-written version. The road paving money was what he was concerned about. Mr. Hooper said that he was going by Mr. Hunter's work sheet and he was satisfied with the way the road money is currently

divided. Mr. Waldrep said that a road study was done around 1982 that set a road paving policy. Mr. Rusty Burns said that parts of the road study was implemented by the Council but not the complete study. Mr. Waldrep said that Council needed to make some clear policy on the issue after reviewing the study already done and he didn't remember the road issue being discussed when the amendments were voted on. Mr. Waldrep asked that a study be done for discussion at the next meeting. Mr. Martin explained certain changes that the June 18th minutes needed to reflect. Mr. Waldrep moved to table the issue until the next meeting. Mr. Allgood seconded and vote was 4-0.

Mr. Carroll Galloway appeared concerning reassessment. He felt like the reassessment was grossly unfair and asked Council what solution they had to remedy the problem. Mr. Waldrep said he felt that everyone on the Council was concerned about this and he pledged to have the right kind of personnel to get the accurate assessment and assured Mr. Galloway that the Council would seriously undertake the problem. Council received as information.

Mr. Rusty Burns asked for approval of Resolution #633 naming roads for the implementation of the 911 emergency telephone system. Mr. Banister moved to approve Resolution #633 and Mr. Allgood seconded. Vote was unanimous.

Mr. Burns asked Council for permission to pursue a CDBG (Community Development Block Grant) in the amount of \$250,000 and an ARC grant in the amount of \$250,000 for the City of Belton. Mr. Waldrep moved to allow and Mr. Hooper seconded. Vote was 4-0. (Holden absent).

Mr. Burns asked for permission to apply for up to \$500,000 in Community Development Block Grant funds for Designer Emblems to assist with sewer with no obligation to the County. Mr. Banister moved to allow and Mr. Hooper seconded. Vote was 4-0.

Mr. Henry Orr, Chief of the Powdersville Rescue Squad, asked for Council's assistance to purchase a 1983 Ford Wilco ambulance with 5300 actual miles. The selling price is \$7,000. He explained the need that the Powdersville Rescue Squad had for the ambulance and asked Council for \$5,000 to place toward the purchase. Mr. Hooper said that he had some remaining money left from the Broadway Lake Water project that could go toward the purchase and Mr. Waldrep said he had \$2,000 of old project money. Mr. Banister stated that other squads needed help and believes that all rescue squads should be treated the same. Mr. Allgood moved to approve the funds for the purchase as discussed and Mr. Banister seconded. Vote was 4-0.

Mr. Jacky Hunter presented second reading of Ordinance #357 approving an ordinance for a \$3,500,000 Tax Anticipation Note to fund county operations until property tax revenues are received in December/January. Mr. Hooper moved to approve the Ordinance on second reading and Mr. Banister. Vote was 4-0.

Mr. Tom Martin requested an executive session to discuss two items dealing with personnel.

Mr. Martin presented third and final reading of Ordinance #350 - Anderson County Sewer Ordinance. He explained that the ordinance was given DHEC's approval and received only minor changes. Mr. Hooper moved to approve on third and final reading and Mr. Allgood seconded. Vote was 4-0.

Mr. Martin presented Ordinance #358 for Council's consideration on first reading. The ordinance amends a previously enacted Ordinance (#131) establishing the position of County Attorney for Anderson County. Mr. Martin explained the needed changes to Council. Mr. Banister moved to approve and Mr. Hooper seconded. Vote was 4-0.

Mr. David Watson asked Council to ratify the following purchases: \$170,000 to move ahead with the Septage Treatment at the Six & Twenty plant (\$42,000 would be used to sandblast, prime and paint the Six & Twenty Plant) and \$61,435 for a curtain system for the Civic Center. Mr. Hooper moved to approve and Mr. Allgood seconded. Vote was 4-0.

Mr. Allgood moved to ratify a request to allow Hammond Water Company to apply for grant funds on their own. Mr. Hooper seconded and vote was 4-0.

Mr. Watson passed out his recommendations to the Council of Government's Management Study. Council received.

Mr. Watson requested an executive session to discuss contractual and personnel issues.

Mr. Watson informed everyone of the Planning Forum scheduled for the 21st of July at the Civic Center at 7 p.m.

Mr. Hooper moved to change the time of the July 21st meeting to 4:30 and Mr. Allgood seconded. Vote was 4-0.

Mr. Hooper moved to cancel the August 4th meeting because of the Association of Counties Convention and Mr. Allgood seconded. Vote was unanimous.

Mr. Banister moved to go into executive session to discuss matters as recommended at 6:00 p.m. and Mr. Waldrep seconded. Vote was 4-0.

July 7, 1992 - 4:30 p.m.

Mr. Hooper moved to come out of executive session back into regular session at 7:00 p.m. Mr. Allgood seconded and vote was 4-0.

Mr. Martin explained that Council discussed one item dealing with economic development, two contractual matters and multiple personnel issues. No action was taken.

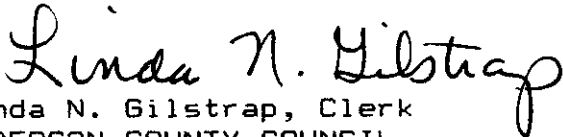

Mr. Waldrep moved to authorize the Purchasing Department to sub out the expansion work of the consolidated building for Public Works. Mr. Hooper seconded and vote was 4-0.

Mr. Hooper moved to give the old Hammond School the remaining money from his Broadway Lake Water Project needed for repairs. Mr. Banister seconded and vote was 4-0.

Council heard from concerned citizens.

There being no further business, Mr. Hooper moved to adjourn at 7:20 and Mr. Banister seconded. Vote was 4-0.

Respectfully submitted,

  
Linda N. Gilstrap, Clerk
