UPDATED : Supreme Court Memo from the Conservative Action Project

Good morning folks. I just wanted to make sure you had the most updated list of signers below on the Conservative Action Project's memo supporting the Senate Republican position on President Obama's Supreme Court nominee. Note that the original signers are first listed alphabetically, then added signers are listed thereafter (also alphabetically), and then all signers are subsequently listed by state.

I know that CAP is still accepting new signers and is **particularly looking for state-level signers**. Please contact Jennifer Rutledge if you or someone you know wants to sign on: jennifer@cfnp.org.

Here are the memo and the updated signers:

Share at will! Thanks....
