---

Chaney,

Rita Cosby of 77 WABC Radio in NYC, currently heard in 38 states around the country, would love to have Gov. Nikki Haley on the show to talk about her endorsement of Marco Rubio, the political races, and other topics that she'd like to cover on a nationally-heard show. We'd be interested in taping an 8 to 10 minute live phone interview at one of four times this weekend:

10:07pm ET Sat 20th (live)

10:35pm ET Sat 20th (live)

6:00pm ET Sun 21st (to pretape)

7:07pm ET Sun 21st (live)

7:35pm ET Sun 21st (live)

Would the Governor have any availability?

Thanks,
